Music / Geography Focus</p> <p>Frozen kingdom Geography Focus</p> <p>Childs war History Focus</p> <p>Darwin's Delights Science Focus</p> <p>Revolution History Focus</p>

*This is the order that projects will be taught in. They will not necessarily cover a half term; some may cover more weeks.

*Each project has a lead subject, identified in **bold**, but most foundation curriculum subjects are taught during each project.

*Nursery topics revolve around provocations that are assumed to materialise from the children's interests. Celebrations and festivals (such as Diwali and Christmas) will be studied during the relevant time periods/dates.
