Art Week

We have been getting creative and celebrating the work of famous artists. Each class has been researching the work of a different artist and created their very own piece of art. The displays around school are looking fantastic.

- Reception - Van Gogh paintings
- Year 1 - Picasso portraits
- Year 2 - William Morris printing
- Year 3 - Kandinsky colour wheels
- Year 4 - David Hockney photography and iPad drawing
- Year 5 - Holbein portraits with ink
- Year 6 - Henry Moore sculptures

Claire House

Our children learned about the role Claire House Children's Hospice plays in helping seriously and terminally ill children live life to the full by creating wonderful experiences and bringing back a sense of normality to family life. Y5 and Y6 also took part in Makaton workshops. To find out more:

Breakfast Club

We now provide breakfast for an average of 35 children every day and we are passionate about ensuring this wonderful provision continues. Please support us with a **small donation** to help us cover the staffing costs. We open from 7.45am and provide table top games/activities, cereal and 'Magic' bagels for the children.
