World Book Day

Thank you for your support in making World Book Day a great success! The book jars were fantastic and brilliantly imaginative. Staff had a really tough time choosing the winners. The reading and book-mark making session was so well attended that we'd quickly run out of seats. It was great to see so many grandparents enjoying books with the children too.

Reading for pleasure isn't just for one day of the year. The focus on reading continues... Today you will have received a letter about Share a Million Stories. Let's see if we can contribute to sharing a million stories with each other:

Jar winners:

Reception: Joel W

Year 1: Libby

Year 2: Mia W

Year 3: Miley B

Year 4: Callum

Year 5: Hollie Mai

Year 6: Jacob

Y2 Residential

The children had a fantastic overnight stay at Tattenhall this week. They took part in a range of outdoor activities designed to improve their communication and team work skills. All of the children's behaviour was excellent and they were a credit to our School and you as parents. Thank you to all the staff and Mike Hornby for taking time away from their families to help make this such a successful experience for the children.

Parent's Evenings/Reports

This year we have changed the way we will report to parents. To further improve parent understanding of how your child is performing we have replaced the long end of year written report with the offer of 3 Parent's Evenings (1 per term) and 2 report cards (1 spring/1 summer). The report card will inform parents about achievement and effort. The first report card will be sent home on Monday 23rd March, parents can then book an appointment on either the 30th March (3.30pm-7pm) or 1st April (3.20pm-5.30pm). There will be a second report card sent home on 29th June and there will be the opportunity to book a third appointment on either 6th or 8th of July.
